# ZUKUNFTS- KONFERENZ LICHT 2019

der Deutschen Lichttechnischen  
Gesellschaft

15. / 16. May 2019  
in Hamburg

## “CALL 4 FUTURE” FOR STUDENTS

Are you studying engineering,  
design, planning or even  
Future?

Do you have an exciting project  
or idea?

Have you invented something  
new with light?

Your “Call 4 Future” now has  
a platform!

Apply now to the “Zukunftskonferenz LICHT” (ZK19)  
and submit your project to the Advisory board by email.  
**Let your creativity run wild** and select a format that  
best suits you and your project.

In case your project is selected, you will be able to  
present it at the **HAW Hamburg on 15-16 May 2019**  
as part of the “Zukunftskonferenz LICHT” by the  
German Lighting society (LiTG). The applications and  
presentations will be evaluated by an Independent  
advisory council of the Future Conference.

Please submit your ideas and projects along with your  
personal details and course of study until **November  
20th, 2018** to [zukunftskonferenz-licht@litg.de](mailto:zukunftskonferenz-licht@litg.de).

The best, the most meaningful and the most promising  
works will be rewarded with a personal recognition by  
experts and an invitation to the LICHT 2020 in Bamberg.
